

# Serving the 8 Counties of Western New York

♥ **G.A. Family Services Locations in  
Jamestown, West Seneca and Holland.**

G.A. Family Services Foster Care program serves youth and families throughout Western New York. On-going support and training are the hallmark of the program, which ensures the successful completion of all requirements to become a certified foster parent.

G.A.'s Foster Care Program offers therapeutic and traditional foster care programs, utilizing a team approach that supports foster parents throughout their fostering experience. We recognize that our foster parents are the key to the success of our organization and value their contribution in making a difference in the life of a child by becoming a healing parent when they need it most.
